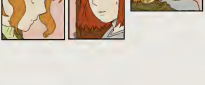
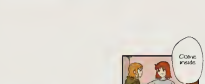
No. I swear...

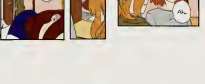


Come inside.



Ah...
What time are you normally home?
Around lunch time.
Ok

Hello, roommate.
Masaaki and Takumi are currently out.
There's still time so let's eat.
Huh? Sure.



You told him that?
Sawaru...
...

I don't
Hello, Masaki
Rosie

Thank you.

Kanata-kun...

You're drunk, right? Go home!

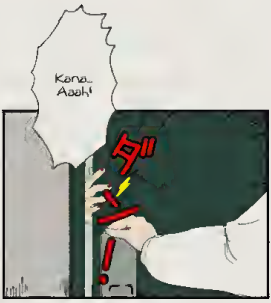
Stop it!
Kya

Where did you sleep over?

No...!
Listen to me...!

Please...
Hey

Kanata-kun!



Kana... Aaah!

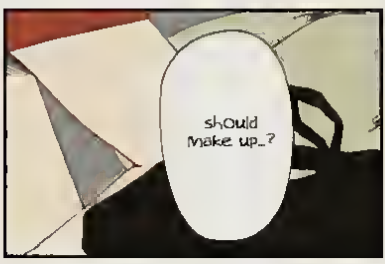
Ah
I-I'm sorry!
Ah...!

Let me take a look
Ah..
Haa..
Ouch..
I'll take you to the hospital
No, it's fine
Let's talk

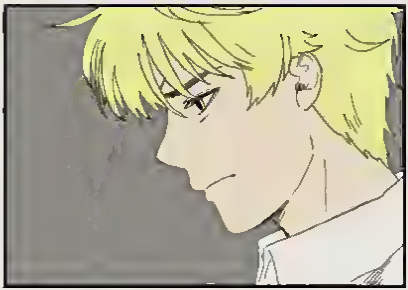
Back then going out with someone was something to brag about

But... when Kanata-kun was gone things became really hard.
I'm already...
Other people are no good. My head is filled with you...

I don't need anyone else
That's why... we... we...!
I can't forget you

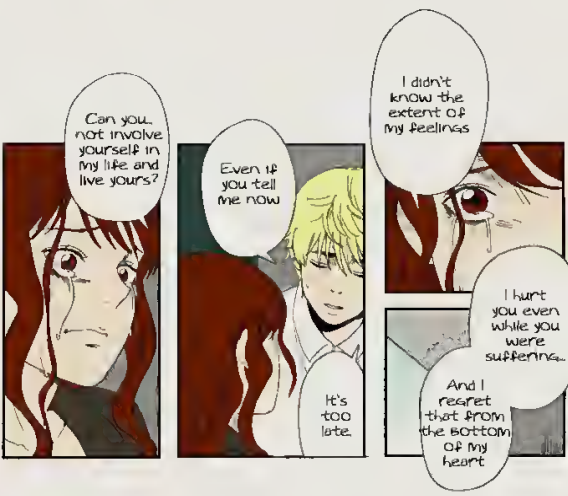


should make up...?



It's pointless. don't you get it?

I won't do such a thing to you again!
I was such a child...!
Kanata-kun...!



Can you... not involve yourself in my life and live yours?
Even if you tell me now
It's too late.
I didn't know the extent of my feelings
I hurt you even while you were suffering...
And I regret that from the bottom of my heart

This is a bother for me
I'm begging you, go home

It's that girl's fault, right?

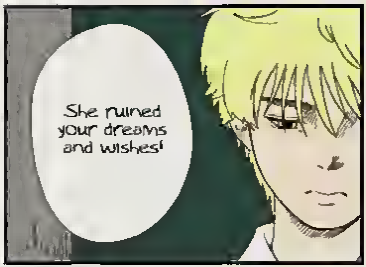
Don't bring Suwan into this
I'm right?
That girl named Suwan
What?

I didn't think it was possible, but..
You with a high school student?
Aah, I see, so last night
Ha... Don't bring her into this?

You slept with that girl?

How funny~
Your partner's a high school student?
Let's leave it at that and go home..

Did you forget that it was her fault that you got injured?
You forgave her!?



She ruined your dreams and wishes!

You can become happy like this, you are gravely mistaken.
If you think...
...
I'm... sorry about your hand, go to the hospital
And... I don't think I'll meet you anymore.

HOT!

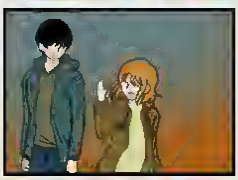
Ah.. I'm worried if my dad will call.
Suwan.. what's wrong?



Haa.

I thought this would be a good change of pace..

I'm sorry for calling you out...
I wasn't thinking...

On that day
I was supposed to be killed

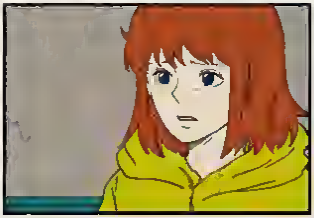
Hey.
Yeah?

No, thank you

From what I heard from the police.

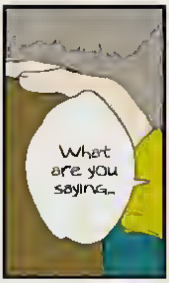
But on the way he suddenly clashed with your mom, and he impulsively...
That's what it seems

I'm sorry..



things wouldn't have been this way..
If he had met me first

Don't say such a thing...!



What are you saying...

Yes...
I'm sorry...

Ah... I see.
Later

Tonight my dad's coming home... And I'm not in the mood for having fun

Okay. I guess I'm going home after all
Huh?
